Notes Forming Part of Financial Statements for the year ended 31stMarch, 2016

NOTE: 18 SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation of Financial Statements:

These financial statements have been prepared to comply with the generally accepted accounting principles in India (Indian GAAP), including the Accounting standards notified under the relevant provisions of the Companies Act, 2013. The company has prepared these financial statements to company in all material respects with the Accounting standards, notified under Section 133 of the Companies Act, 2013 ("the Act") read together with paragraph 7 of the Companies (Accounts) Rules 2014 to reflect the financial position and the results of operations of **Rudraksh Cap Tech Limited**.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

The central government in consultation with National Advisory Committee on Accounting standards has amended Companies (Accounting Standard) Rules, 2016 ('principal rules'), vide notification issued by Ministry of Corporate Affairs dated and effective March 30, 2016. The Company believes that the Rule 3(2) of the principal rules has not been withdrawn or replaced and accordingly, the Companies (Accounting Standard) Rules, 2016 will apply for the accounting periods commencing on or after March 30, 2016. Hence the company has not applied the Companies (Accounting Standards) Rules, 2016 in preparation of financial results for the year ended March 31, 2016.

b) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP required judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

c) Fixed assets:

Tangible Assets:

The Company does not have any fixed assets during the year under review.

Intangible Assets:

There is no assets in the books of company which can be accounted as intangible assets.

d) Depreciation, Amortization and Depletion:

Tangible Assets:

The Company does not have any fixed assets during the year under review.

Intangible Assets:

There is no intangible asset in the books of company.

e) Investments:

The Company does not have any investment during the year under review.

f) Foreign Currency transactions:

The Company does not have any Foreign Currency transactions during the year under review.

g) Current assets:

Inventories:

Items of inventories are measured at cost of Purchase. Cost of inventories comprises of cost of purchase and other costs including overheads incurred in bringing them to their respective present location and condition.

Sundry debtors:

Sundry debtors are stated at realisable value. Other loans and advances are stated at realisable value.

h) Prior period and non-recurring items

Prior period and non-recurring and extra ordinary items are disclosed separately if material.

i) Income Taxes:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing difference between taxable income and accounting income for the period and reversal of timing differences of earlier year / period. Deferred tax assets are recognised only to the

extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realise the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

j) Provisions, Contingent liabilities and contingent assets:

Provision is recognized in the accounts when there is a present obligation as a result of part event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

k) Revenue Recognition:

Revenue is recognised only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services, service tax, excise duty and sales during trial run period, adjusted for discounts (net), and gain / loss on corresponding hedge contracts.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Excise duty / Service tax:

Excise duty / service tax is accounted on the basis of both, payments made in respect of goods cleared / services provided and provisions made for goods lying in bonded warehouses.

l) Employees Benefits:

Company's contribution to provident fund are charged to profit & loss account. Gratuity provision is made on the basis of actuarial valuation and leave encashment expenses are accounted for on payment basis.

m) Impairment of Asset :

At each balance sheet date the carrying amount of the asset is tested for impairment. If there is an indication of impairment, the company estimates the recoverable amount of assets. If such recoverable amount of the asset or the recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is tested as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that the previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

n) Borrowing cost:

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the profit and loss statement in the period in which they are incurred.

o) Earnings per Share (EPS):

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus elements in right issue to existing shareholders, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Segment reporting:

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the company.

q) Cash and cash equivalents:

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.
